Jackson Varsity Plays Guntersville At Playoffs

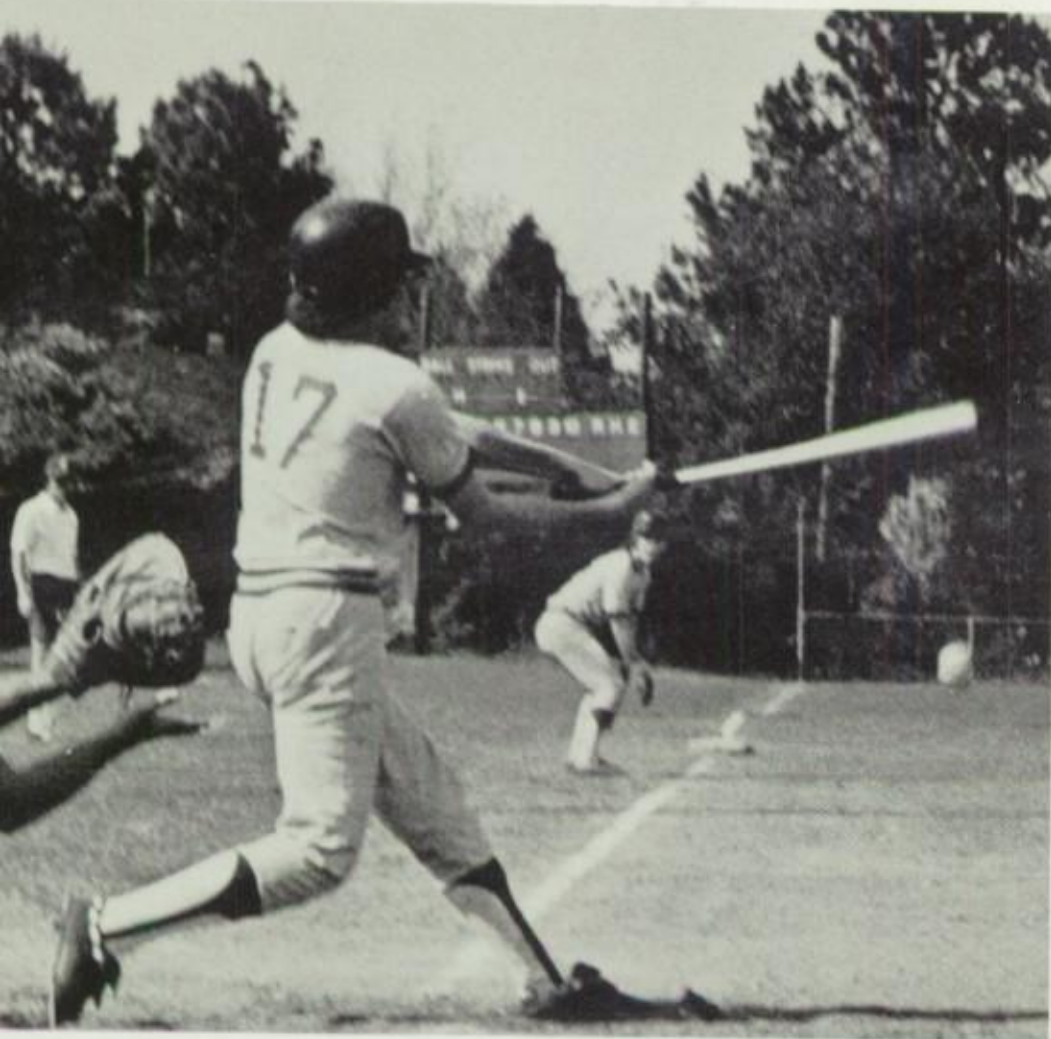

March was a month for winners! We were very proud of the Aggie basketball team in 1976. The boys won all tournaments necessary for them to go to state playoffs against Guntersville at the University of Alabama Coliseum on March 4. We were defeated by Guntersville 70 - 55. Baseball action kept fans excited through March. Twelve students participated in the Science Fair in Mobile, Alabama on March 25-27.

Cheering with spirit and pride, Aggie backers show their love for JHS at State Basketball playoffs.

Enlightens Our Lives

Stevie Dumas, senior, swings hard and hits the Leroy pitch as Freddie Dumas waits on third base.

Junior High Basketball Goes to State

In 1976, a first for Jackson High School occurred. Our Junior High Basketball team took it all the way to STATE! To be able to go to state competition, the team had to win the Clarke County tournament, then defeat the winner of the Washington county tourney, and finally defeat Escambia county's number one junior high team.

At state competition in Montgomery, our team played West Side Junior High School of Selma, Alabama. In a disappointing game for the Aggies, WSJH defeated us 64-26. Yet we were STILL very proud of our Junior High Aggies.

Students examine projects of the 1975-76 Science Fair in Mr. Moore's Physic's class project, the pillow dome.

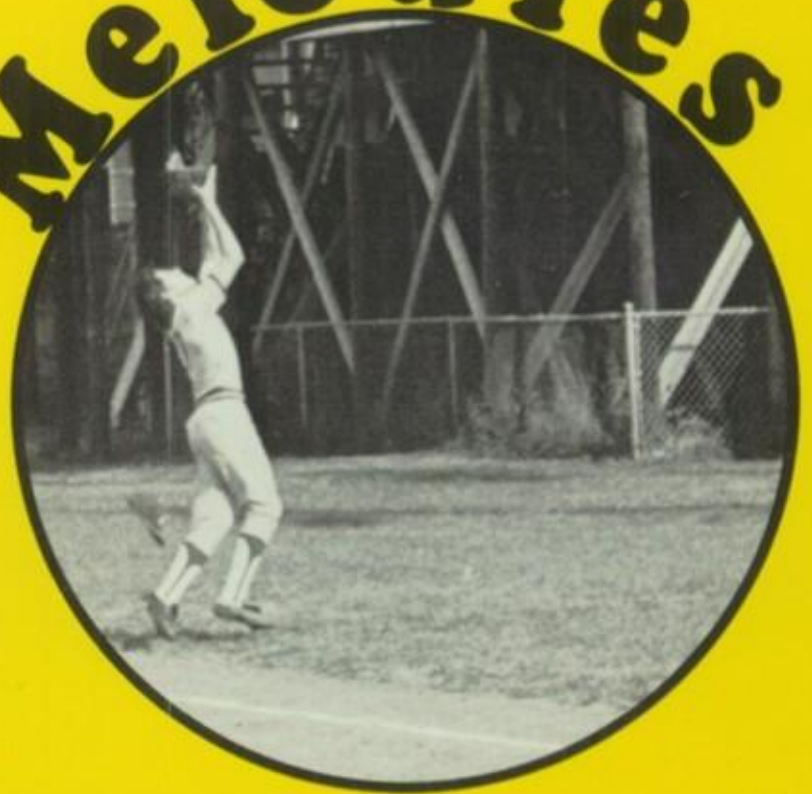

Melodies

Bringing Back

April was an eventful month at school. It held many baseball games, plus the band and choral concert. Mrs. Chastain's drama class put on the play "Up the Down Staircase" on April 9-10.

Cheerleader tryouts were held in April also. Many girls went out to be a cheerleader at JHS, but only eight girls could be chosen for the honors.

Keith Bolen, sophomore, won first place in Mr. Moore's brickholder contest.

Hat flying, Stevie Dumas catches a Leroy foul ball.

Of The Past . . .

Mr. Mosley directs the chorus as it and the band present the annual spring concert.

Joe Ferone, portrayed by Chuck Chastain, is brought to class by the principal, Stevie Huggins.

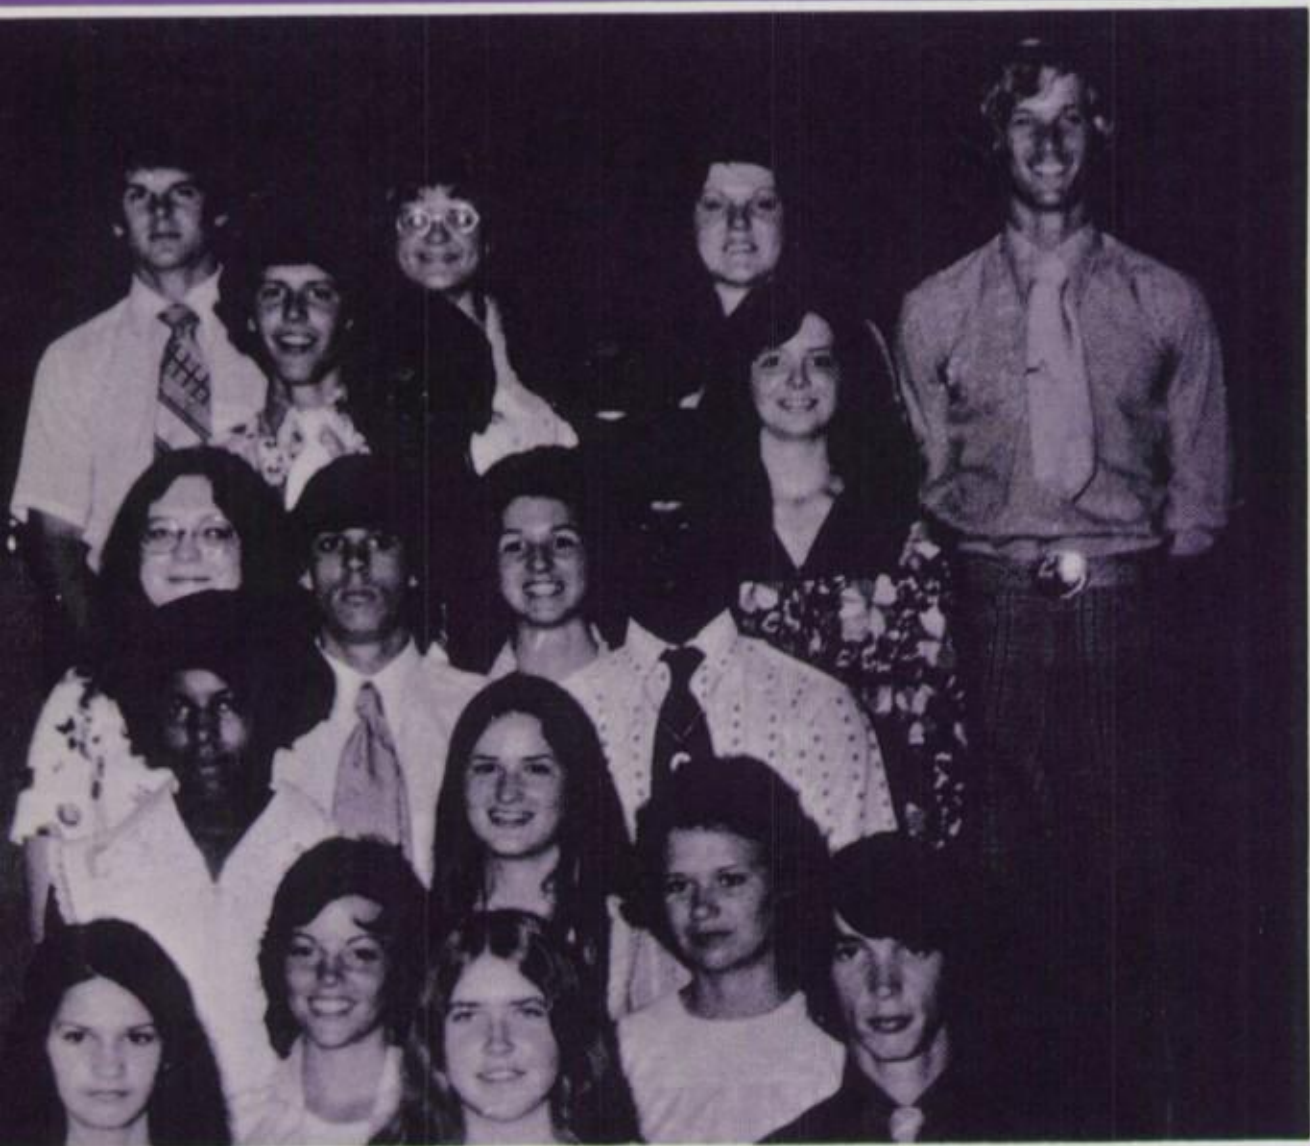

Miss Barrett, played by Judy Reid, tries desperately to keep order in her classroom.

And Composing

The merry month of May is considered the best month by far to all students. May brought with her the various awards programs, the Junior-Senior Prom, Memory Day, graduation exercises, and best of all-getting out of school for the summer. Most students agreed that the only bad thing about May was the EXAMS.

Concentration is the theme of the picture at right, as students work hard to make top grades on exams.

The picture above shows the awards winners for 1976.

Of

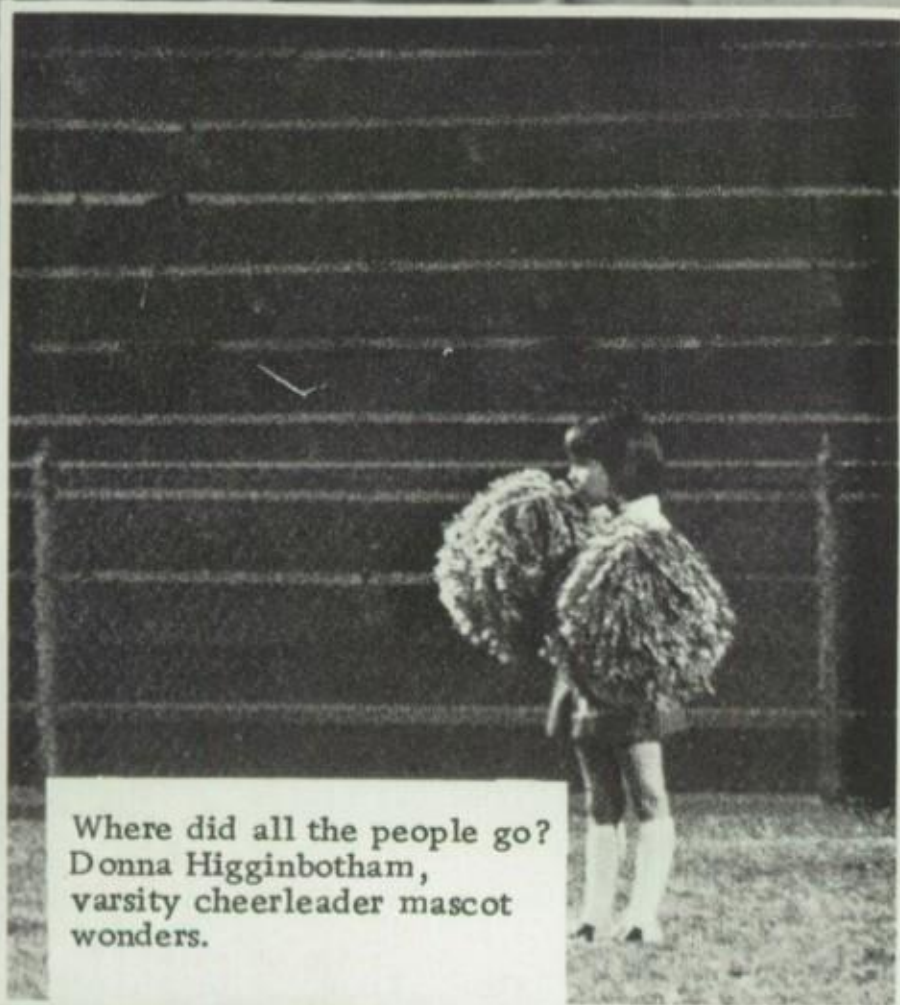

The Year

This summer was filled with many fun activities. Swimming and diving were enjoyed by many over the summer months. Two former Jackson High School students played on an all-star team, they were Stevie Dumas and Andy Driskell. The "Summer of '76" was a very hot, but very enjoyable one. Seniors agreed that it was the best one yet for them! While the summer months were fun for all, weren't you glad they ended for school?

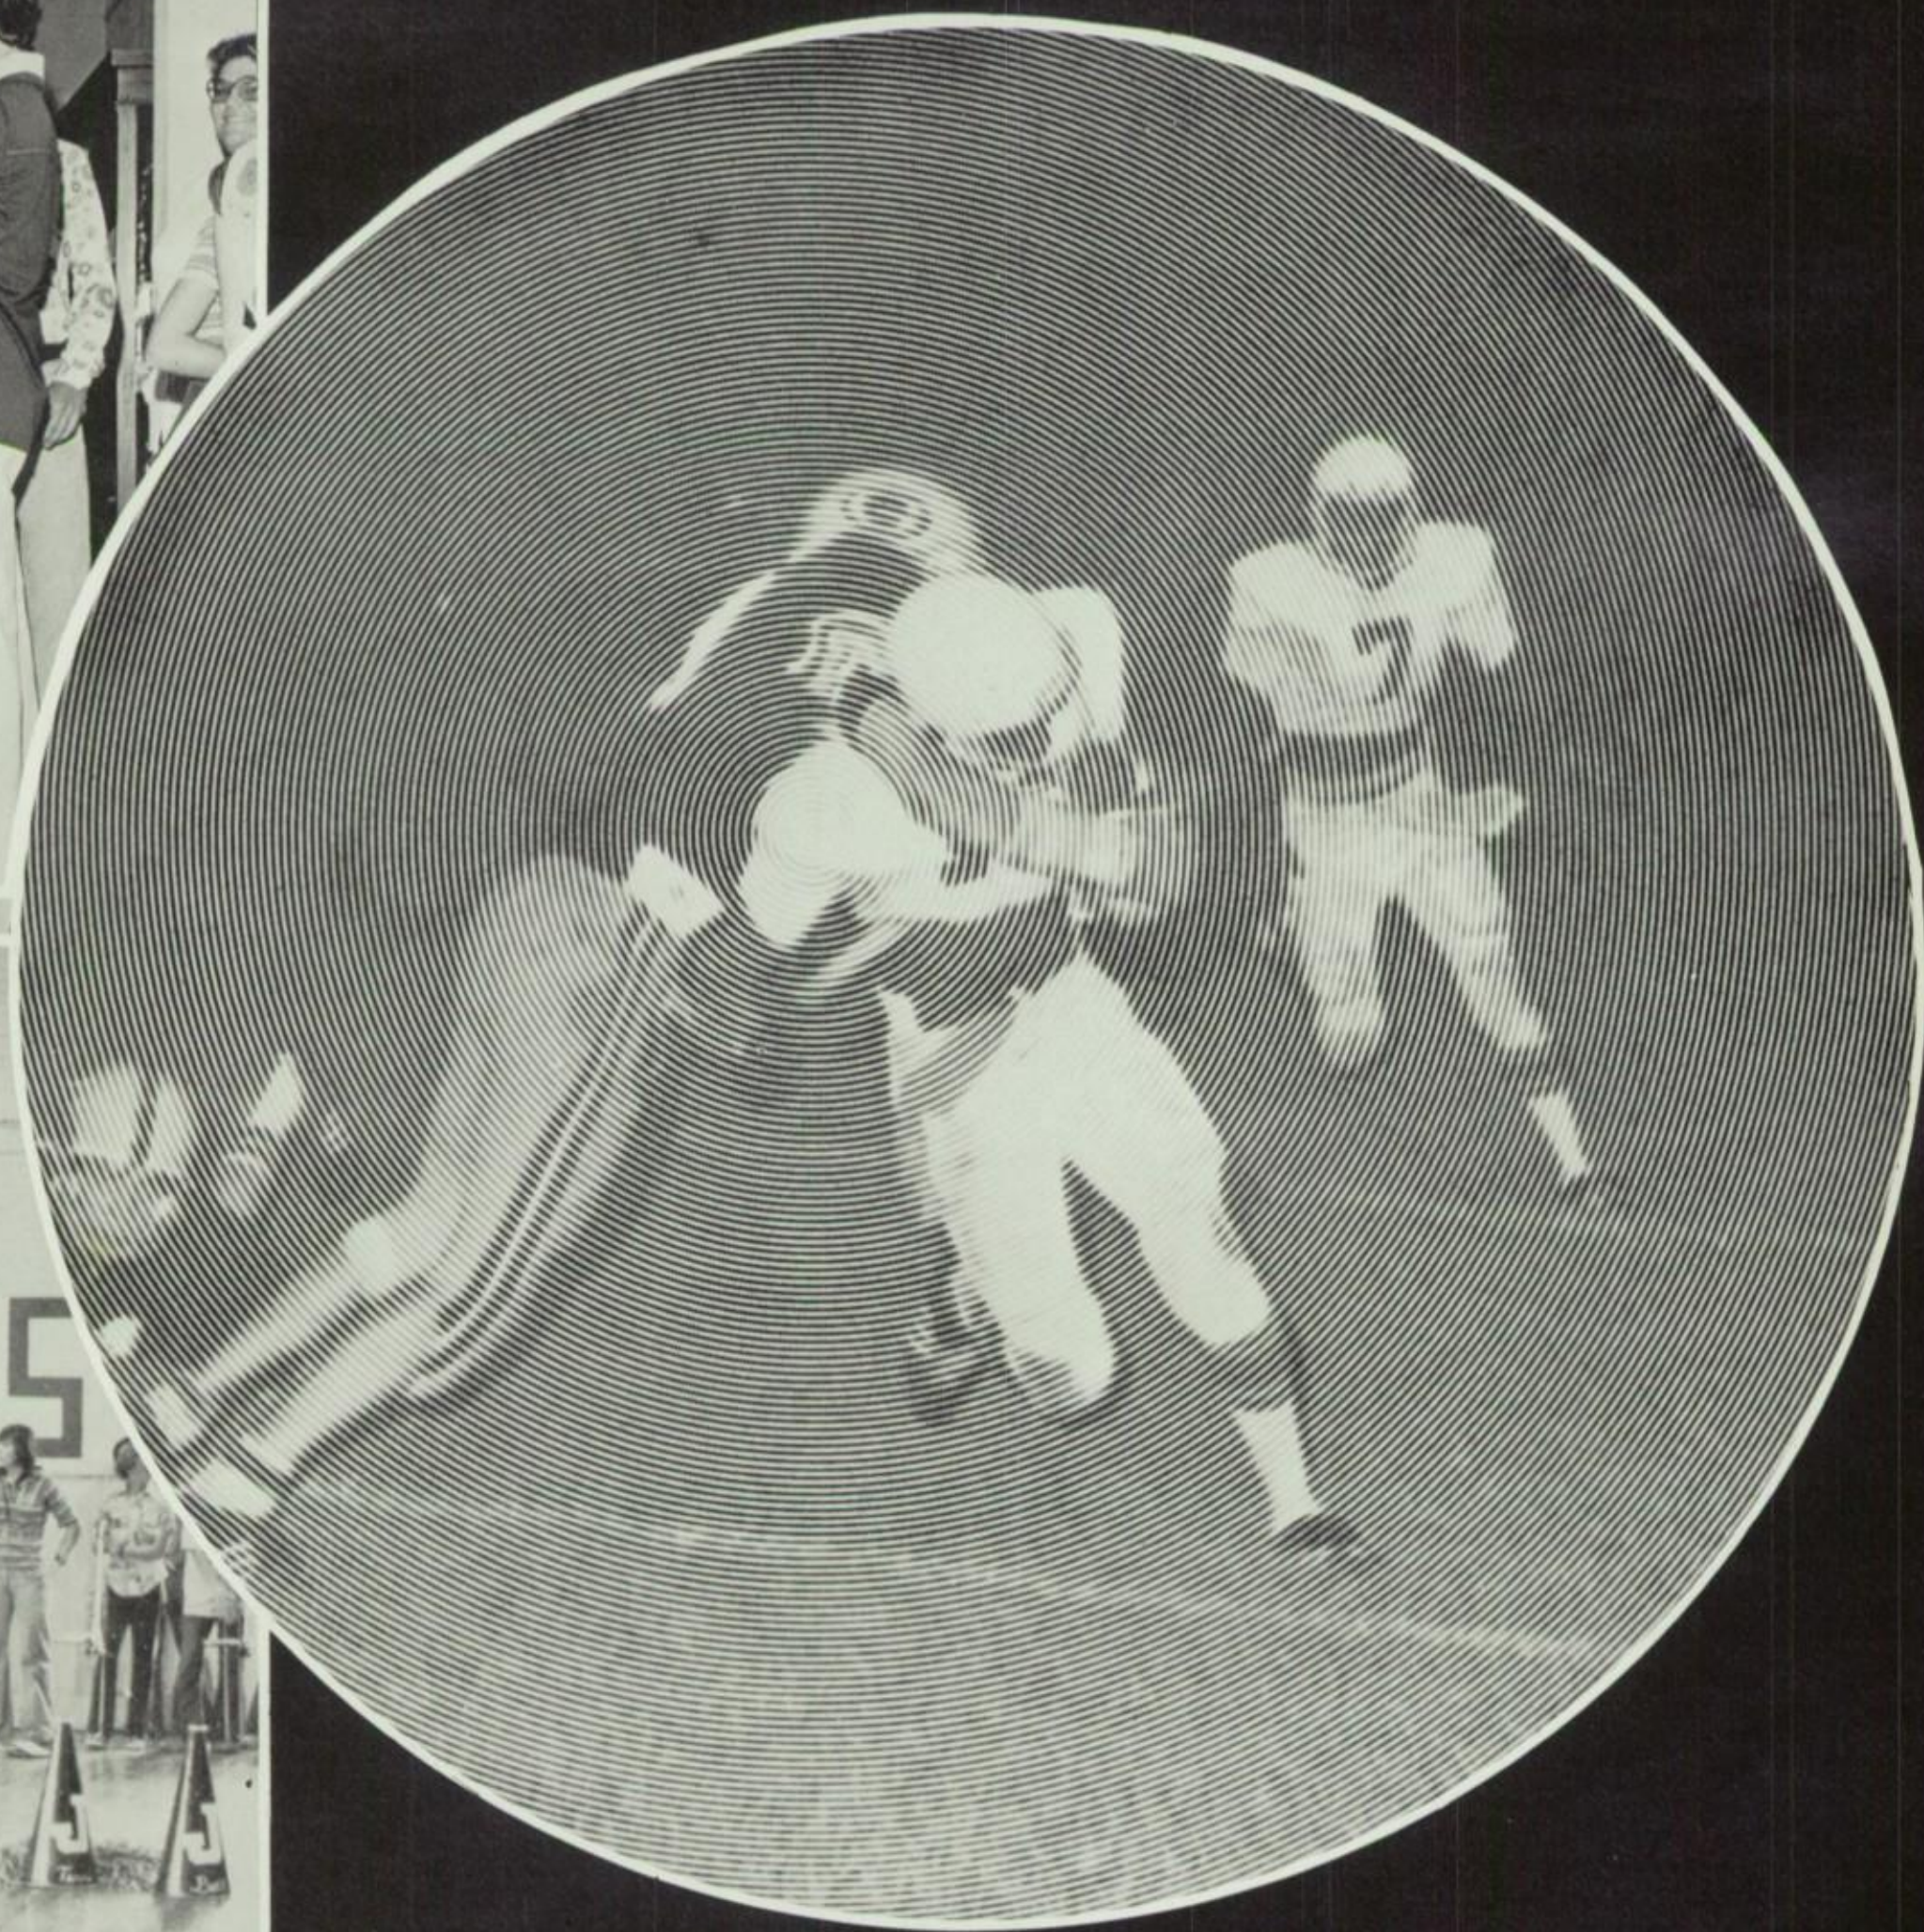

Members of the audience gather in the main hall while awaiting the judges' decisions.

Where did all the people go? Donna Higginbotham, varsity cheerleader mascot wonders.

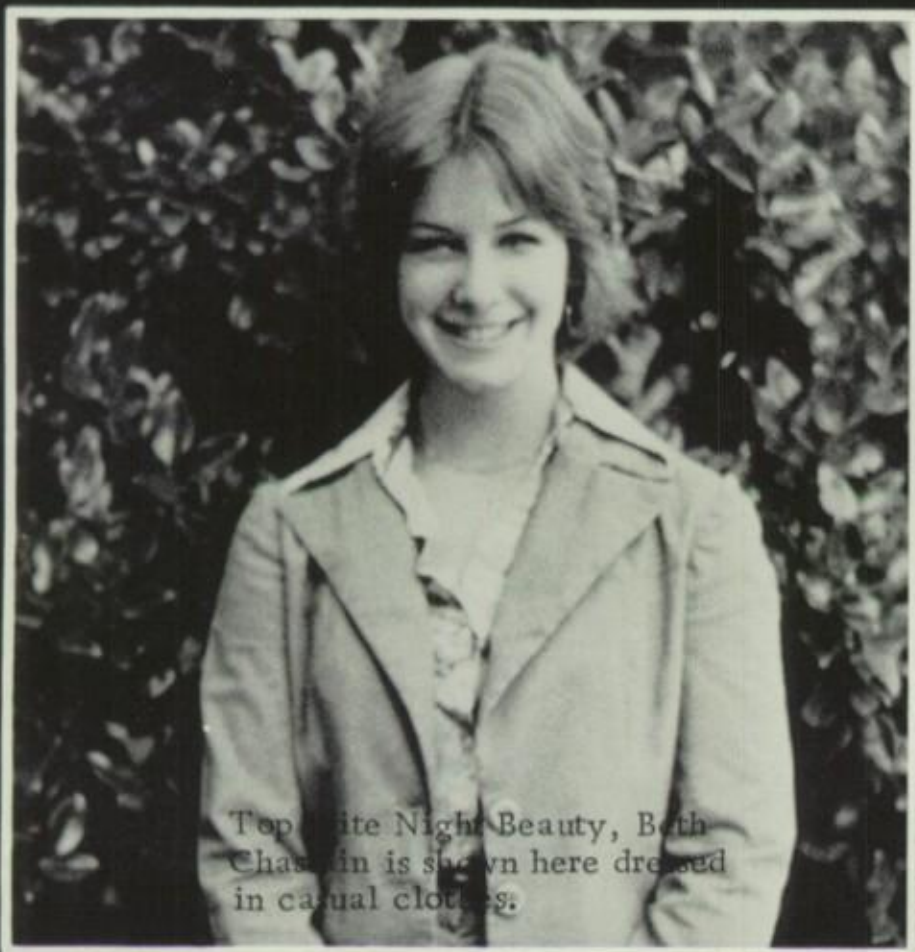

Aggie coach, Wayne Brunson peps up the crowd at the first pep rally of the football season.

Pep Club float won first place.

Homecoming at JHS for 1976 was a smashing success. Students set a record when from the roof they hung three signs artistically painted on old sheets. Monday was Dress Up Day, when all those with spirit wore their Sunday Best. On Tuesday we went to the opposite extreme and dressed tacky for Fade 'Em Out Day. Hats and Glasses Day followed on Wednesday, while on Thursday everyone showed their enthusiasm for Spirit Day. Friday was, of course, Fifty's Day.

Second place went to the Sophomores.

Sophomores also won first place in the hall decorations with their famous "Aggie Train".

"Go, Go, Hey GO!!" Aggie Band always gave EXTRA team spirit.

The Aggie Band participated in many different things this year, such as football games, concerts, parades, and the annual county fair.

On Wednesday afternoons, each band member showed up to get ready for Friday night's show. These were the hectic times. People were yelling at each other for doing it wrong and Mr. Mosley yelling back! But when Friday night came, the show was ready.

The away games were especially loved by every band member. Mr. Mosley lined 'em up and rolled 'em in by class on the band bus. When the stadium was in sight, everyone knew the JHS Band was comin'!

During the spring, tryouts began. Each member worked to learn their scales and prepared selections. Each instrumental group competed for the highest chairs. If 70% or above was made on the tryouts, they got a "J" or a gold bar.

Aggie Band showed enthusiasm as our team scored.

Majorettes and Field Director

The Field Director is chosen each year the same time the majorettes are and by the same qualifications. The Field Director's job is to direct on the field and during times when the band director is absent. The Field Director attended camp at Livingston last summer.

These were just a few of the comments you could hear coming from room 10 during school and after school, too.

Seventeen people fought over pencils, copy keys and erasers to get the yearbook published on time.

Because of the increase of publication costs the staff began selling ads in June. They sponsored Elite Night and other programs in order to raise money.

STUDENT LIFE

Debut *The First Day Of School*

First Day of School! WOW! School started at JHS on August 31, 1976. As usual, there was a lot of confusion, especially with the Freshmen. The ninth graders had "a little" trouble finding their way around the vast halls of JHS, but within a few weeks they had mastered the art of rotating in the halls. There were quite a few more students in school this year than were expected, almost 750. With that many students roaming around on the first day of school, one can imagine how hectic the place was. But in a way, most students were really ready for school at JHS, 1976-77.

Rehearsal

Study! Study! Study!

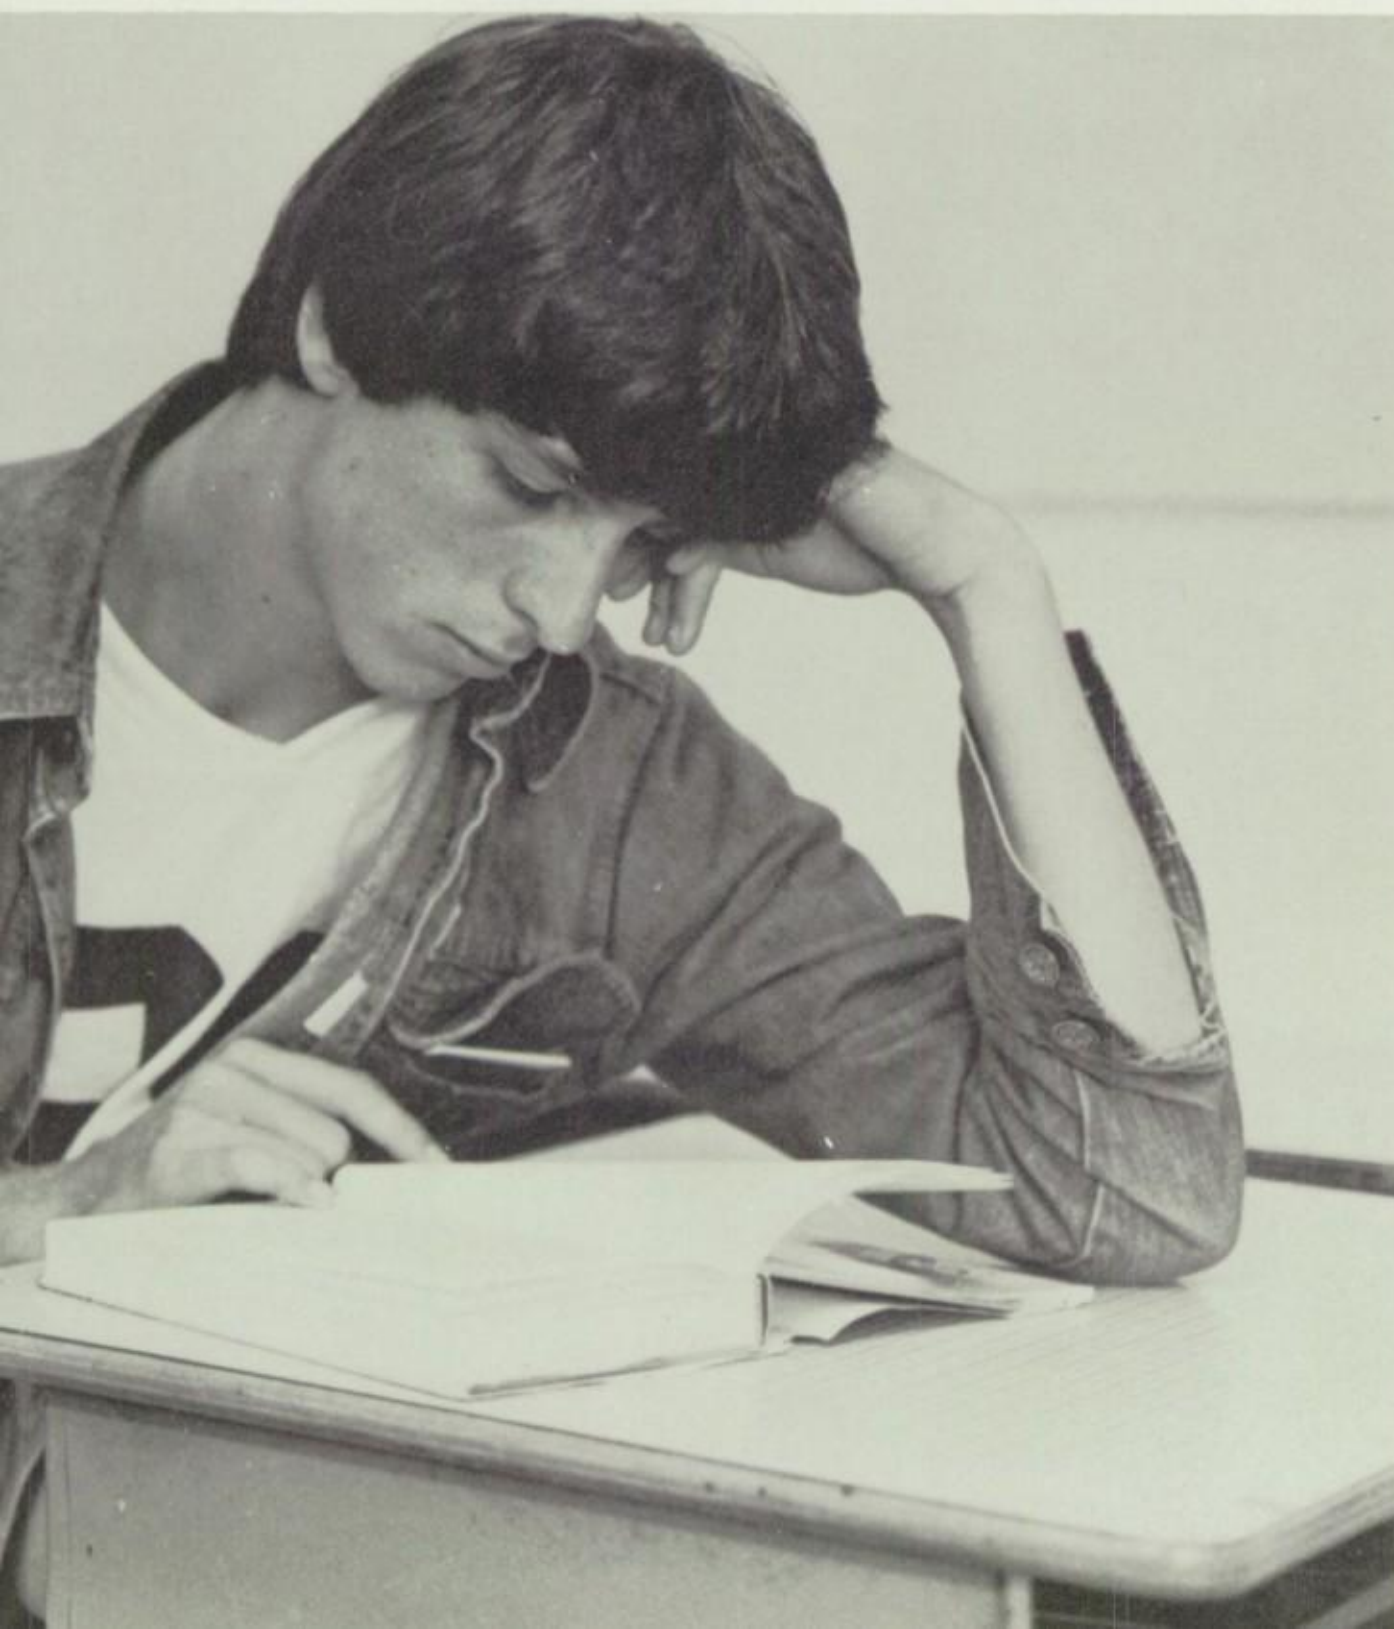

Test time at Jackson High meant study time. Students were seen busily going over notes at the last minute, making sure that they had "that problem right". Studying was an important part of the student's life at school, as each individual had to earn his grades by knowing and remembering what he had studied.

Junior John Garrett studies for a test in Mrs. Stewart's study hall.

Students at JHS very seldom cheated on tests, but when they did . . . the inevitable cheat-sheet was necessary.

"All right, Students. Get your books off your desks, and get out a sheet of paper." TEST TIME!! Teachers' voices seemed to always sound sweeter on test day than any other. Perhaps this was because they realized that the average student at JHS took approximately sixteen tests per month. Many of the teachers here at school gave a test each day much to the poor unfortunate students' dismay.

Student Activities

The Same Ole Routine

Activities at any school are as varied as they are in everyday life. Students at our school can be seen raiding the coke machines, meeting at break exchanging the latest gossip and taking part in extracurricular events. Of course, there's always studying.

There was always the challenge of inventing excuses for being late or for not having done homework. How could we ever have survived without break, lunch, and weekends.

School is and will always be "The same ole routine" but we know we can live through it as long as we can rely on those good ole student activities.

Critic's Review

Report Card Time

The day we all looked forward to . . . Report Card Day. It was at this time that we found out what our teachers really thought of us! The tension mounted all day until at last the dreaded card was handed out. There were looks of surprise, sadness, and fright on the student's faces. Immediately, excuses went racing through our heads. Such as, "Well, Mom, you know how dumb them ole teachers are." "You know if I clean my room I don't have time to study. The highest grade in the class was 47, so I didn't do too bad by making a 46."

*THE AGGIE
BEAT GOES ON*

JACKSON AGGIE FOOTBALL

The Aggies began the season with a new coach, new uniforms, and a lot of enthusiasm. Three weeks prior to the opening game, we lost uniforms and equipment in a fire, but the team and fans refused to give up hope. This hope continued and brought on the first undefeated season in many years.

A season that started out in near tragedy ended in glory. The Aggies won their 10 regular season games allowing only 69 points to their opponents and scoring 342 themselves, November 7-13 was proclaimed Jackson Aggie Week by Mayor Arrington, as the Aggies prepared to meet the T. R. Miller Tigers in the first round of state playoffs.

STATE

Head Coach Wayne Brunson

On Nov. 12, the Aggies scored five T.D.s and two extra points enroute to a 36-7 victory over T.R. Miller in the first round of the 3-A state playoffs.

Offensively and defensively, Jackson completely dominated the game. Aggies racked up a total of 393 yards to 93 for the Tigers. T.R. Miller scored first on an 11 yard pass in the first quarter. The score was 14-7 at the halftime.

Coach Matthew Jones

PLAYOFFS

The following week, Nov. 19, the Aggies' dream of a 3-A State Championship ended with Andalusia winning by a score of 41-14.

The game was played on a rain-soaked field. Andy jumped out to an early 14-0 score, but the Aggies scored on a fumble return by Bobby Daffin early in the third quarter. The Aggies scored again in the fourth quarter on a 16 yd. pass from Henry to George Robinson, but a fumble, blocked punt, and two long kick-off returns resulted in points for the Bulldogs. The final score was 41-14. Our dreams were ended but there's always next year.

Seniors '77

The Seniors of '77 were a happy bunch! With a class composed of approximately 130 students, the seniors were not the largest, but certainly the BEST!

The Senior class, under the direction of Mr. Beverly, sponsored an annual magazine sale. The money is used for the class gift the twelfth graders leave for the school. The class also helps with the March of Dimes Walkathon.

Homecoming Queens were Dorena Berry and Nancy Johnson. The theme for the class float was Snow White and her Seven Victories. The Sr. Class got together for the Homecoming Pep Rally and finally won the much wanted "pep stick". Clarke and Washington County Fair contestants were also from the twelfth grade. They were Brenda Arrington and Faye Deloney.

The student body chose members of the Senior class to represent the school. They were Clint Chalkley, Susan Davis, Dorena Berry and George Robinson; Mr. and Miss JHS.

At the beginning of school the senior class voted on their flower, colors, and motto. Red roses were the class flowers and the colors were crimson and grey. The motto was "Yesterday is gone forever, tomorrow is forever in the future; but there is a time between the two and that time is now."

James Bayles wondered if our winning streak would continue through the Homecoming.

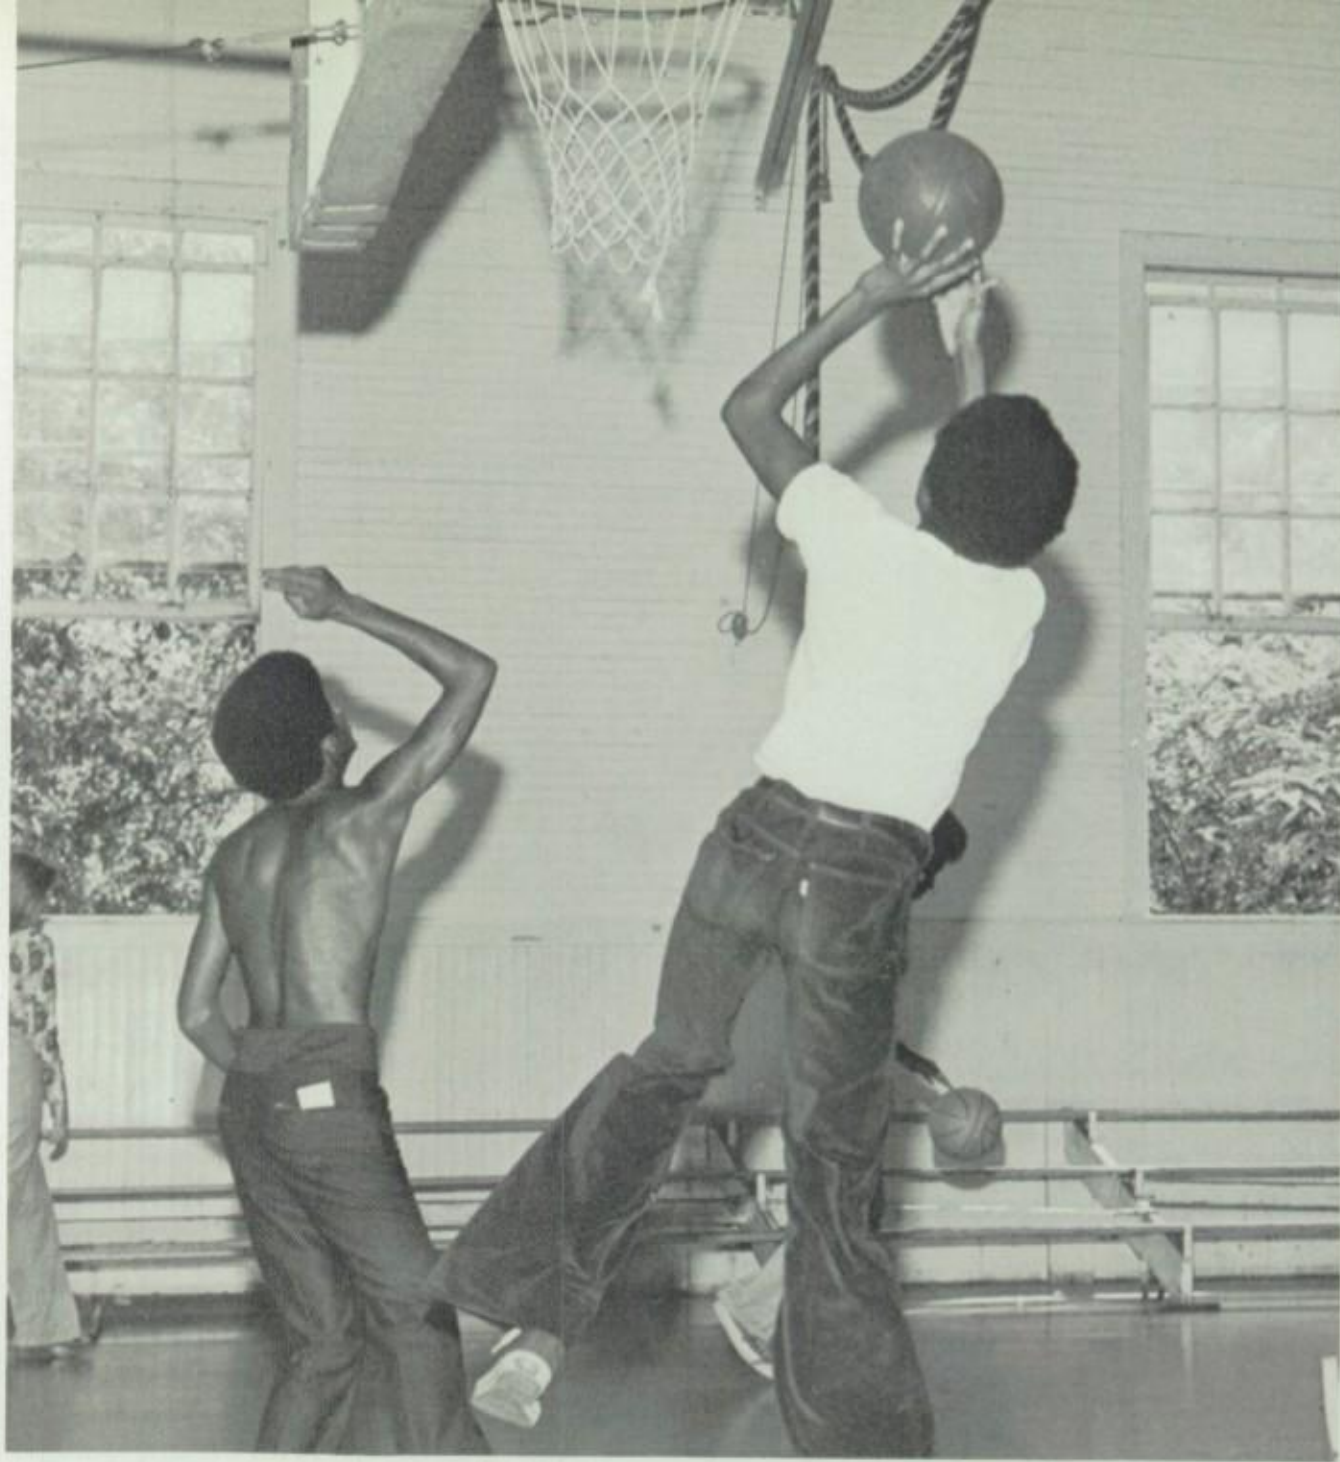

Roy Mitchem and Violet Wilson worked hard to complete a yearbook deadline.

Ronald Jones, a member of the B Team basketball, practices with James Chatman, Mgr.

Gerry McLendon, Junior, and Kenny Weaver, Sophomore, unloaded oranges when they arrived.

Chess Bowerman and Shelia Gunter pretended that they were studying during Mrs. Stewart's study hall.

V-I-C-T-O-R-Y, that's the Sophomore Battle Cry! Loaded with lots of spirit and pride for Jackson High, the tenth grade class started their second year at high school with a BANG by winning the first pep-stick of the football season.

Being the second largest class at JHS gave the sophomores plenty of excuses to have many students involved in extra-curricular activities such as band, chorus, various clubs and organizations, and of course, sports. Many sophomores were proud of our float at Homecoming, which won 2nd place. Our hall won 1st place. Tenth graders also helped out as P.E. and Library assistants.

Freida Scoggins, Sophomore, participated in Hat & Glasses Day during Homecoming Week at JHS.

Beverly Pierce seemed entranced by Mr. Moore's chemical equations.

Melanie McLendon, an active JHS varsity cheerleader, gritted her teeth at the thought of our next Aggie opponent.

Sophomore band member Micheal Boykin looked at a uniform catalogue wishfully.

Ain't Alan just one more huggable Aggie?

Hey, Terry, don't you think you should be a gentleman and help Wanda with that heavy load?

Mr. Barbaree and Melinda Few carry on a friendly conversation about the weather.

In a fit of disgust, Jerry Jackson threw his pencil up hoping it wouldn't come back down, so he would have an excuse to leave off his homework.

Debbie Kelly used her study hall to read library books.

Lawrence Hicks, David Cox, and Mr. Bumpers discussed the last basketball victory.

Class Officers: Keith Skinner, Vice President; Teresa Bettis, President; Mary Louise Durant, Secretary; Jerome Jackson, Treas.; Lee Williamson, Parliamentarian; Wanda Cox, Reporter.

Freshman Class of '76-'77 consisted of 275 students. 1976-77 being the Freshmen's first year at Jackson, they were most confused. As the year progressed, ninth graders began to settle into the day-to-day routine. During football season, Freshmen won the pep-stick 3 times. Their float theme was "Jack and the Beanstalk."
